

**Announcement:  
NHTSA Region 2  
9<sup>th</sup> Annual Child Passenger Safety Technical Conference  
May 11, 12, and 13, 2011**

Region 2 members are New Jersey, New York, Pennsylvania, Puerto Rico, and the U.S. Virgin Islands.

Next Regional Conference is scheduled to be held May 11 – 13, 2011 at the Lake Placid Conference Center in New York State.

This web page is only for those Child Passenger Safety Technicians who live and work in the State of New Jersey. Registration period will open in early 2011, and will be widely announced. Registration forms will be available on this site when registration opens, so be sure to save the link to this webpage for future use. CPS Technicians will be offered scholarships to help pay the costs of attending. More information will be posted prior to the opening of the Registration period.

At least 6 (six) Child Passenger Safety (CPS) Continuing Education Units (CEU) will be offered at this 3 day Conference. There will be many technical and informative workshops scheduled, and many Child Safety Seat Manufacturers representatives will be on hand to discuss their latest products and answer your questions.

Here are several websites that will familiarize you with the area and the hotels we plan to use for the Conference. Hotel registration will be done in conjunction with Conference registration; you do not need to contact any of the hotels at this time.
